

HRLC Highlands Regional Library Cooperative

Be sure to sign up for these summer classes, before all spaces are filled!

School Librarians – Put the Web to Work for You!

Two hands-on workshops, Friday, July 8, 2005 at the ETTC,
Sussex County Technical School in Sparta

- **Website Basics for School Librarians** with Steve Garwood
Start the school year with a new or updated website! This hands-on class covers the basics of how to get started, how much it costs, and how the process works.
- **Create and Integrate Websites into Your Curriculum with “Filamentality”** with Robert Lackie
Learn how to create a web based activity such as a hotlist, treasure hunt or webquest using the online tool, Filamentality.
