YOU CAN
REGISTER ONLINE FOR
HRLC CLASSES!

You can register for our technical training and continuing education classes from anywhere, at any time, even when the HRLC office is closed, through our online registration system!

Just go to: <http://www.peopleware.net/2909>

The site allows you to view available classes, register, and see a list of the classes for which you have already signed up. You will be able to select a username and password so that you can access your account at any time. You will receive e-mail messages to let you know when your request is received and your name is added to the class list.
