Send directly to the HRLC Funding Task Force at this address: [lawson@hublib.lib.nj.us](mailto:lawson@hublib.lib.nj.us) or fax to 908-859-4667.

The information we receive will become a resource on the Highlands web site.

Please pass this message on to the person at your library who is most involved with grant writing.

The Task Force is attempting to form a picture of that part of the philanthropic community that is most interested in Northern New Jersey. We are also hoping to collect this information across library type, from academic, special and public libraries to elementary and secondary media centers.

So we are asking HRLC members to contribute information on foundations, corporations, or other groups that have provided monetary grants of any size to your library, or to your Friends group or Library Foundation for your library. **Do not include LSTA or NJ State Library grants.**

If for any reason you believe that sharing information on a grant giver would be detrimental to the interests of your library, then do not complete the form below for that grantor. However, any help that you can give will be greatly appreciated, and will ultimately benefit the libraries of the Highlands Region.
